Carburettor base setup (new engines, less than 1000 miles)

Carburettor full setup

Power run

I can confirm that my vehicle is in sound condition, that all fluids are at the correct level and that there is a sufficient amount of fuel. I accept that I will be charged for any fluids that may be required and that the rectification of any issues before we test the vehicle will also be chargeable. I can confirm that I have read the supplied check list and I am happy to proceed. Classic Cars of Kent Ltd will not be held responsible for any failures that might occur during testing. We will take every care when securing your vehicle to the rolling road and fitting the exhaust extractors. Please ensure that you are happy with how this is done as we cannot be held responsible for any damage caused by the straps or exhaust extractors.

I hereby authorise Classic Cars of Kent Ltd to run my vehicle on the rolling road, up to the stated RPM limit.
